

Nvision Architecture, Inc., located in Anchorage, AK, is seeking the employment of a **Project Architect/Manager**. This person should be a senior level Alaska/NCARB licensed architect who has strong design, leadership, technical abilities, and writing skills with a resume of proven experience in the Alaskan environment. Minimum of 10 years' experience that demonstrates established relationships with private and public clientele in the state of Alaska. Specific tasks will include project management, the development of architectural projects including schematic, design development, specifications, construction documentation and construction administration phases along with strategic planning and proposal/marketing duties. Additionally ability to communicate effectively with the client, all members of the design team, and leading/managing firm's technical staff is required. Work may also include planning, feasibility studies, building assessments, BIM/Revit modeling and management, and LEED/Sustainable building design.

Nvision Architecture, Inc. is a full-service firm that provides planning, architectural services and construction management services for commercial, education, medical, retail, hospitality/housing, food service, and church facilities. We provide all phases of the design process, from initial programming and feasibility studies to complete drawings and specifications for construction. Our client base is a mix between the public and private sector. Our mission is to determine our client's requirements and meet or exceed those requirements every time. Employees will be provided with a safe, stable and rewarding environment with emphasis on a team approach.

Requirements for Applicants Include:

- Bachelor or Master's Degree in Architecture
- Min. of 10 years of production experience in commercial architecture
- Licensed in Alaska or the ability to obtain license through NCARB
- A strong background in the design, production and coordination of quality construction documents
- A history of managing multi-discipline design teams
- Solid understanding of the International Building Codes and local Zoning Codes
- Excellent planning, decision making, organizational and time management skills
- Effective written and verbal communication skills

Interested and qualified candidates shall submit their letter of interest, Cover Letter/Resume, and salary requirements to admin@nvisionarch.com. Only candidates that meet our criteria may be contacted. No phone calls please.

Nvision Architecture, Inc. is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to age, sex, creed, color, national origin, ancestry, physical or mental disability/handicap, marital status, veteran status, sexual orientation or any other basis prohibited by law.
